Update SOP for police department

Chief Strozyk went over the current SOP in place. He explained the scheduling of officers was just about impossible with the current employees we have. Our part-time employees have full-time jobs at other police departments. We are lucky enough that they are allowed to use their equipment from the other departments here. Saving us around \$3,000 per employee. Strozyk mentioned he is still looking for another full-time officer. The part-time officers know that shifts will not be available once we hire another full-time officer. Shultz mentioned adding a number 4 on the schedule and bulleting the procedure/requirements for part time officers. Strozyk agreed and will work on editing the schedule and proposing it at another meeting.

Adjournment

Meeting adjourned at 5:41pm

Olive Emerick
Sec./Treas.
